

Join us in welcoming
Jhonson Augustin
Comité Artisanal Haitien

“Our work is our tool
to fight poverty.”

Jhonson Augustin is a metal art craftsman from Croix de Bouquets, Haiti. SERRV has provided a market for his popular Tree of Life Wall Art for more than twelve years, helping him to build a house for his family.

Eighty percent of Jhonson’s crafts are sold through Comité Artisanal Haitien (CAH), a SERRV partner for 32 years.

Jhonson will be visiting New York, Maryland and Pennsylvania along with CAH director Gisele Fleurant and a SERRV representative in late September/early October on SERRV’s Artisan Tour.

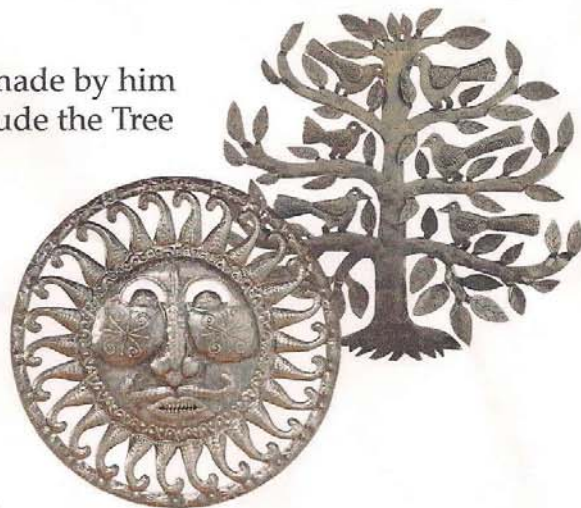

Metal Art pieces designed by Jhonson and made by him or one of the thirty artisans he employs include the Tree of Life (31051) and the Shining Sun (31319).
